## if you go

Beth Conant Keim suggests exploring Charlotte by simply driving through its many distinct, charming neighborhoods, stopping in the shops, galleries, and restaurants along the way. Some of her favorites include North Davidson ("NoDa" to the locals), Queen's Road downtown, and Plaza Midwood, where her store is located, *right*. And be sure to stop for a meal at The Penguin, Charlotte's famous burger joint. It happens to be right next door!
